the fun is here

The fun starts here!

Since 2009, Mojo has been dedicated to replicating the beauty of the natural world with animal figurines. The word Mojo means 'inner magic' and the brand is committed to enriching children's imaginative play in their discovery of the animal world. Our aim is to awaken the inner magic in everyone, the potential is endless: from beloved animals in the home and farms to global wildlife in the deepest rainforests, to deep ocean sea life, and even going backwards in time to prehistorical life and whimsical fantasy animals.

Designed and sculpted in the UK, Mojo is a family-oriented company working hard to deepen our connection to the natural world. Mojo's mission is to celebrate and explore the world we live in, and our hand-crafted realistic animals let imagination and positive educational roleplay take shape. Spanning the depths of oceans, rainforests, deserts, mountains, time and imagination, Mojo animals are great collectibles, educational and appeal to all ages.

We hope you enjoy the new additions for 2024.

A herd of four Stegosaurus dinosaurs is shown in a desert landscape. The dinosaurs are green with prominent red plates along their backs. They are walking across a rocky terrain under a hazy, orange-tinted sky. The scene is set in a desert with sparse, gnarled trees in the background.

Our Goal

To create the finest quality products available.
To offer First Class Customer Service
To be customer focused, whether Business or Consumer.
To build long term partnerships based on Quality, Trust and Confidence.

Craft and Expertise

Designed in the UK, our products are made with passion. Passion for design, passion for realism, and a passion for quality. Each figure is expertly researched prior to its manufacture.

The sculpting and coloration processes can take many months and even then, some do not make it into production. Once in production, we may refine a model many times until we feel it reaches a level of quality with which we are happy.

Mojo, a passion for perfection!

Safety and Standards

Each Mojo product is rigorously tested to a wide range of international standards. This is an ongoing process with every model in the range undergoing safety testing on an annual basis.

We value safety above all else.

European Standards

EN71 Part 1, 2, & 3, EN71 Part 9, DIN53160 (German standard), Cadmium & Non-Phthalate.
